

```
deregnet::DeregnetModel  
::addBaseConstraintsNoRoot
```

A diagram illustrating a transformation. On the left, a gray rectangular box contains the text 'deregnet::DeregnetModel' followed by '::addBaseConstraintsNoRoot' on the next line. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'deregnet::DeregnetModel' followed by '::setBaseConstraintsNoRootCommon' on the next line. Both boxes have a thin black border.

```
deregnet::DeregnetModel  
::setBaseConstraintsNoRootCommon
```
